

INFORMED CONSENT

By signing this document, I acknowledge that I have voluntarily chosen to participate in a program of progressive physical exercise, which can enhance the musculoskeletal and cardiorespiratory systems. In signing this document, I acknowledge being informed of the possible strenuous nature of the program and potential for unusual, but possible physiological results including, but not limited to, abnormal blood pressure, fainting, heart attack or death. By signing this document, I assume all risk for my health and well being and hold harmless any responsibility, the instructor, facility or any persons involved with INSPIRED By Fitness, LLC and this program and testing procedures. I understand that questions about exercise procedures and recommendations are encouraged and welcomed.
